Re Docket Numbers:

98 N-1230

96 P-0418

97 P-0197

The FDA was petitioned in April '98 to ban forced molting of hens. Please grant this petition now.

You have jurisdiction to prohibit this cruel practice which promotes disease and injures human health. It is the main cause of infectious diseases in hens, the eggs and in the egg eaters.

You must do more than place warning labels and regulate refrigeration!
Ban forced molting of hens!

Sincerely,
Mary Gillbert
